

Are you **WALKING** your **DOG RIGHT?**

Set a Schedule

Have a fixed time. It also balances your dog's metabolic rate.

Fix a distance/route

You can make more friends when you walk in the same route.

Find the right type of harness

Which one fits best for your Fido?
Front clip / Back clip / Head collar

Carry poop bags

Leave no traces. Keep your neighborhood clean.

Carry water

Dogs often get tired and dehydrated when they walk for a long time.

Carry essentials

Summer - Cooling pads for your dogs paws.
Winter- Keep your dog warm with shoes and sweaters.
