

Find the treat Nose Game

Are you one of those pet parents who continuously see dog videos on the internet and wonder if you can teach one of those tricks to your pet?

If so, this might **Interest** you.

This week, we are going to see how to teach your dog one of those amazing nose games.

1

Stay indoors while teaching the trick for your dog as this reduces the distraction.

2

Teach Stay and Recall command for your dog.

3

Come up with a specific command for the nose game such as "Find it". If you are already using this, then you need to come up with a different phrase.

4

Put a treat in one of your hands while your dog is watching

5

Then, Close your fists and ask "which hand?"

6

Give them the time to choose, if they choose correctly give them the treat. If they don't open, show them the correct hand and repeat it until they do it correctly.
